Tokens Promotion - T&C

1. This promotion is based on a monthly subscription to LTX Studio. It is available for upgrading users (from free, lite) or new users.
2. For the following month subscription, you will receive the following computing seconds on both Standard and Pro subscription tiers:
3. Standard Monthly subscribers will receive double the amount of computing seconds, meaning 57,600 computing seconds (instead of 28,800).
4. Pro Monthly subscribers will receive double the amount of computing seconds, meaning 180,000 computing seconds (instead of 90,000).
5. Users may apply their computing seconds to any action available to them based on their subscription tier.
6. Computing seconds does not roll over from month to month.
7. This promotion is valid for individual users only and is not available for enterprise accounts.
8. Usage is subject to LTX Studio's general Terms of Use and Privacy Policy.
9. LTX reserves the right to modify, extend, or terminate this 11-day promotion at any time without prior notice.
10. For any additional questions, please contact us at contact@lightricks.com.
