

LTX Model Trainer – the LTX LoRA Jam Contest – Terms & Conditions

1. **Welcome.** Welcome to The LTX LoRA Jam Contest (“**Contest**”). The Contest is organized and administered by LTX Inc, (“**LTX**”, “**we**”, “**our**”, “**us**”). To the extent that you believe that there are subjects or issues that are not discussed in these Terms, or if you wish to receive more information about the Contest, you may contact us at support@ltx.io.
2. **Binding Terms.** Please read carefully the following Terms and Conditions (“**Terms**”), which constitute a binding agreement between individuals seeking to participate in the Contest and LTX. By submitting entries to the Contest (as explained below), you indicate your consent to be legally bound by these Terms. These Terms and the Contest are void where prohibited by law.
3. **The Contest.** “LTX LoRA Jam” is a community challenge where participants train LoRAs and IC-LoRAs using the LTX Trainer (the “**Trainer**”), competing across 5 categories: Utility, VFX, Creative & Fun, Audio LoRAs, and Control. Use of the Trainer is subject to LTX’s [Acceptable Use Policy](#), and the [Community License](#) of the Model.
4. **Eligible and Ineligible Participants.** Except as set forth in these Terms, and subject to any applicable law and where not prohibited, the Contest is open only to individuals (and not groups or organizations) worldwide. You must be 18 years of age or older to participate in the Contest. Employees and board members of LTX and their family members (i.e. parents, grandparents, children, grandchildren, siblings, nieces, nephews, and in-law relatives), are not eligible to participate in the Contest. The Contest is not open to residents or citizens of countries or territories currently subject to comprehensive trade sanctions (e.g., Cuba, Iran, North Korea, Syria, and the Crimea, Donetsk, and Luhansk regions).
5. **Submitting an Entry.** Participants must submit entries via the official website designated contest page. In order to participate in the Contest, participants must adhere to the following guidelines: (i) participants must train a LoRA or IC-LoRA using the LTX Trainer (whether prior to or during the Contest); (ii) participants must generate a video demonstrating their trained model; (iii) submissions must include the trained model weights and a description, and must designate one of the 5 competition categories (Utility, VFX, Creative & Fun, Audio LoRAs, or Control); and (iv) submissions must be made individually by a single participant, with no group, team, or collaborative submissions permitted. No purchase is necessary to participate in the Contest and purchasing any LTX products or services does not enhance the chance of winning. Any submission in accordance with this Section shall be referred to herein as “**Contest Entry**”. You are not entitled to any form of compensation or consideration for your submission of a Contest Entry.
6. **Limited Entries.** Each participant may submit only one Contest Entry in accordance with the Terms. If a participant uploads more than once using their unique submission link, only the most recent upload will be counted and will replace any prior submissions.
7. **Timetable.** Registration Opens on July 1, 2026 (LTX Trainer v2 launches, LoRA Lab opens for submissions, announcement across social, community, and partner channels). Open Submissions period: as of the registration date through the submission deadline (community trains LoRAs, live leaderboard runs, with community spotlights of standout submissions each week). Submission Deadline: August 18, 2026 (final submissions close, community voting opens, Nvidia judges review top entries). Winners Announced: August 25, 2026 (live stream/event, film screening of top entries, Nvidia selects winners, prizes awarded). Only Contest Entries uploaded per the instructions above and within the applicable timeframe will be eligible to participate in the Contest. The information documented in our systems, such as timing of Contest Entry submissions is final and non-contestable.

8. **Judges.** LTX will establish a judging panel consisting of LTX's CEO, Dr. Zeev Farbman, Gear Productions' CTO, Mohamed Oumoumad, LTX's VP Creative, Omer Rabinovic, Urska Jelercic, LTX Models Team Lead, and (collectively, the "**Judging Panel**"), to evaluate the Contest Entries for all categories other than the Community's Choice, which will be determined by votes from the LTX community. Submissions will be posted on the LTX Discord (<https://discord.gg/ltxplatform>), where the community will vote for the most popular LoRa.

9. **Winning Entry(ies), Criteria and Prizes.**

- 9.1. The Judging Panel will choose one winner in each category. Within a category, the Judging Panel will select the LoRA or IC-LoRA that, in its assessment, best fits that category's definition and demonstrates the highest overall quality, evaluated as follows:

Category	Criteria	Number of Allowed Potential Winners	Prize
Best in category	Best Utility category	1	RTX 5090
Best in category	Best- VFX category	1	RTX 5090
Best in category	Best- Audio LoRAs category	1	RTX 5090
Best in category	Best- Control category	1	RTX 5090
Community's Choice	Most-loved by the LTX community (vote)	1	\$1,000 Amazon gift card
Best in category - Creative and fun	Best- creative category	1	\$1,000 Amazon gift card
Honorable Mentions	Standout submissions	30	\$100 Amazon gift card

(collectively, the "**Winners**")

- 9.2. The Winners will receive the prizes detailed above (each, the "**Prize**"). Prizes will be distributed via methods determined by LTX. For physical prizes (hardware, travel), Winners will be contacted for shipping/travel arrangement details. The Prizes are the sole and exclusive award for the Winners. We will not permit any return, refund, exchange or receipt of monetary reward instead of each of the Prizes. For the NVIDIA GeForce RTX 5090 Prize, LTX may, in its sole discretion, fulfill the Prize either by providing the physical card or, in lieu of purchasing and shipping the card itself, by providing the Winner with a gift card to a retailer selected by the Winner (for example, Amazon, Best Buy, or a relevant local retailer), with which the Winner may purchase the RTX 5090 directly. Where LTX elects to provide a gift card, each applicable Winner will be contacted following the announcement of Winners to select the retailer, and LTX will then provide a gift card to that retailer valued at up to USD 4,000. Because RTX 5090 pricing varies by country, retailer, and model, LTX's

obligation in respect of this Prize is limited to a gift card valued at up to USD 4,000, and the Winner is responsible for completing the purchase and for any amount exceeding the gift-card value.

9.3. The Winners may be disqualified in one or more of the following instances:

9.3.1. We deem that the Winners have violated these Terms or any applicable law.

9.3.2. The Winners do not accept the prize or do not provide us with the necessary details required for the delivery of the prize.

9.4. The Judging Panel's decision is final and non-contestable, and you may not raise objections against the Judging Panel's decision.

10. **Announcement of Winner.** The Winners and their respective Contest Entry will be announced on LTX' social media and the contest web page on August 25, 2026. The Winners will also be contacted via the email address provided in their official entry form. The Winners will be asked to reply with a message consenting to receiving their respective Prize, *within 1 week from* the date of notification.

11. **Taxes.** The Prize may be taxable income under the laws applicable to the Winners. Any taxes applicable to the Prize are the sole and exclusive responsibility of the Winners, not LTX. The Winners are solely responsible for reporting the Prize to the relevant tax authorities, and paying all taxes applicable to the Prize, as required by the applicable tax laws. Upon LTX' first request, the Winners will promptly complete and submit to LTX all tax forms, certificates or authorizations as may be necessary under the applicable tax laws.

12. **Publication and Privacy.** The name of the Winners, as well as their Contest Entry, may be re-published on Discord, GitHub, Hugging Face, and other community platforms as well as on or outside our website, our other social media pages, in our blogs, press releases, news articles, and promotional and marketing materials. To run the Contest, we will need to collect personal data about you, including your contact information (name, email address, Discord handle, or X account), and the content you provide as part of the Contest. We require this information in order to allow your participation in the Contest. We will process your personal data in accordance with the [LTX Privacy Policy](#). By participating in the Contest, you also agree that we may approach you with offers and information about our products. The winning LoRAs and IC-LoRAs will be featured on the official LTX Hugging Face Community Collection.

13. **Proof of Identity.** As a pre-condition to winning, LTX may request verification as to the Winners' identity, through reasonable means of identification. At the request of LTX, the Winners shall promptly provide any additional information necessary to effectuate their receipt of the Prize (such as postal address or bank details for wire transfer). If LTX, in its sole discretion, determines that the Winners have not provided satisfactory proof of identification in a timely manner, or if the verified identity of the Winners do not match the information associated with the respective Contest Entry, LTX may disqualify that Winner without any liability to it. If, at any time, LTX, in its reasonable judgment, determines that the Winners have violated these Terms, LTX may disqualify that Winner upon notice and without any liability to that Winner.

14. **Restrictions.** If your Contest Entry includes any real, identifiable individuals, you must obtain their prior written consent to be depicted and to have their image used as contemplated by these Terms, and you must be able to provide evidence of such consent upon LTX' request.

14.3. WE MAY EMPLOY MEASURES TO DETECT AND PREVENT FRAUDULENT OR ABUSIVE ACTIVITIES IN CONNECTION WITH THE CONTEST. WE MAY DISQUALIFY YOU, WITHOUT PRIOR NOTICE AND WITHOUT LIABILITY TO YOU, IF WE, IN OUR SOLE DISCRETION, BELIEVE THAT YOU HAVE ENGAGED IN FRAUDULENT OR ABUSIVE ACTIVITIES IN CONNECTION WITH THE CONTEST.

16. **Featured Winning Submissions.** The winning LoRAs and IC-LoRAs will be featured and published on the official LTX Hugging Face Community Collection and made publicly available to the community under
